Mel Rosh Retires!

Mel Rosh was
Dr. Medici's first
partner at Clarkstown
Pediatrics back when
Lyndon Johnson (LBJ)
was president!

Shortly after Dr. Medici started Clarkstown Pediatrics in 1967 he was joined by Dr. Melvin Rosh. Drs. Medici and Rosh had worked together on the staff of the New York Hospital, Cornell Medical Center.

In addition to being a board certified pediatrician, Dr. Rosh was also a pediatric allergist. He ran a Clarkstown Pediatric Allergy Clinic for over thirty years.

In 1998 Dr. Rosh retired from our practice after thirty one years. He moved to New City to New York City with his wife, and we wish him well.
